RULINGS STATUS CONFERENCE:

Counsel report that, despite the Court's order of July 26, 2017, defendant failed to appear for his deposition on the date agreed to by counsel by stipulation.

According to his attorney, the only reason offered by the defendant for not appearing was that he was needed at his place of business.

Unless defendant confirms by 4:00 pm this afternoon that he will appear at the courthouse for his deposition at 10:00 am tomorrow, and retains at his expense a reporter to record the deposition, the Court will recommend that defendants' answer be stricken and their default be entered.
